

Hosting a Zoom Meeting via Zoom Program

1. Download the Zoom program. Go to <https://zoom.us/download>
2. Click *Download*

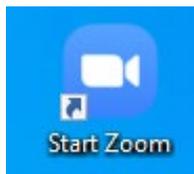

Zoom Client for Meetings

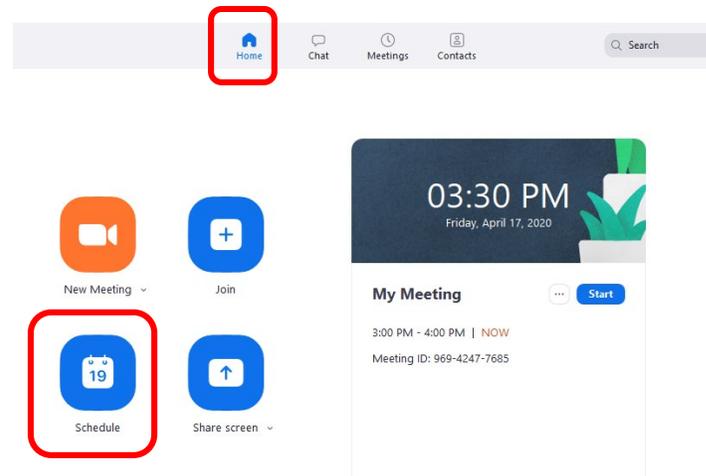

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

3. Double click the download file to install the program.
4. Start Zoom

5. Click *Sign in*
6. Choose *Sign in with SSO*
7. In the Company Domain box, type chula> Click *Continue*.
8. Sign in with your university email address @chula.ac.th and the CUNET password
9. Click *Home*
10. Click *Schedule*

11. Fill in relevant information, and then click *Schedule*. The system will send the details of the meeting to the e-mail client program installed on the computer such as Microsoft Outlook. (If such program has not been installed you will not be able to use Zoom).
